OAKLAND RAIDERS VS. KANSAS CITY CHIEFS October 11, '81 at Kansas City Visitor Home Dats Site

OAKLAND DRESSING ROOM--TOM FLORES, HEAD COACH

"It is pretty obvious, we are not getting the ball into the end zone. It is always a bad day when you get blown off the field, but we are all professionals. We have got to prepare ourselves to fight back. Our backs are REALLY up against the wall now. We have got to fight back. If changes need to be made, then we will make changes. Our running game right now is gust not going at all. We are in a position where our offense is predictable right now and when you get into that position, they (the opponents) can really tee off on you. We have been in that same position for the last two weeks and you just can't do that against good defensive teams like Kansas City."

Regarding today's performance: "A few dropped balls, interceptions, etc. all lead to a poor performance. You have got to block and protect your quarterback, if you don't, you cannot win. We have to make ourselves strong enought and good enough to overcome these mistakes and win some games."

#### KANSAS CITY DRESSING ROOM

GAME BALLS were awarded to: running back Joe Delaney, wide receiver Henry Marshall, quarterback Bill Kenney, and the offensive line. Mary Levey said that game balls to the defense will be awarded on Monday after fiewing game film.

MARV LEVY, HEAD COACH (Asked if his team was serious about being a contender) "Yes, we are very serious about it. Our team played very well today, probably the best we have played all season. We played well offensively, defensively, and with our special teams. We did not get a big break with our special teams, but they did a great job with containtment and stake covered well all day. I hope we are serious (of being a contender). It will be a heck of a race."

(On Oakland being shut out three straight games) "It is very unusual for a team to be shut out three times. I don't really have an answer. They are a good team. They went to the super Bowl, maybe every team playing against the Super Bowl champions, gets up for it. I just don't know. I know we were.

(On Boe Delaney) "The little guy is a great competitor. He has a lot of ability and works damm hard. From the day he came here, he was willing to work. I have said it before, people expect too much from rookies, and rookies don't expect enought of themselves. That does not apply to Joe Delaney. He is a fantistic worker and he works at it. Beyond that, he has a lot of ability.

The whole offensive line did and in fact were among the recipients of a game ball. We started out well there (running left) and had a lot of success at it, so we continued to do it. It is hard to talk about what our plans were with us having to play this team again in two weeks. We have another game with them and I really don't want to talk at this time what our plans were and wants what we wanted to do.

BILL KENNEY: "It was a very mk satisfying win. The offense did its job and played solidly. The defense did a great job. Our offensive line controlled the line of scrimmange, and I thought that was the key to the ball game. The protection was fantistic. They opened up some holes and made things happen. It was one of those games, we put it together, and did everything well. We had some sumbles but overall on offensive I thought we played well. Oakland is a good team. We had to play as well as we did to beat them."

JOE DELANEY: "We got a helluva game out of our offensive and defensive lines. It was a helluva job. We wanted this one bad. To play well today, we had to take advantage of their defense, and I thouk we were able to do that. It was sweet vectory. The 100 yards? No, someone told me on the bench just before the end of the game that I'd done it two straight games. NNo, I didn't know. But, if the offensive line plays the way it did today every week, I'll get a 100 yards every time out."
