COACHES QUOTES

Marv Levy (Kansas City):

They were basic. What they did was mix it up pretty well and catch us looking a few times. I wish we had played a little better. We knew we'd have to, but we just didn't.

The areas where we were strong, we just didn't play well. They set up in an area where we expected them to fake it (field goal) and we knew it, but we just didn't do anything to prevent it.

You can't put your finger on it. We had a lay-off, but so did the Saints. I was very disappointed...extremely so. To day we were not very good at all in our strongest areas. We just weren't any good.

Ken Stabler played very well, as did the whole team. I was disappointed we weren't able to get a little bit more heat on him. I thought we were prepared to do that, but we just didn't.

O. A. (Bum) Phillips (New Orleans):

I would like to pay tribute to the entire football team. They really played well when they had to, especially in the fourth quarter. The pass protection was excellent. We used the plays that were most successful in our last six games. The only breakdowns came on a couple of pass plays and that has happened to teams in their sixteenth game. Wayne Wilson has been one heck of a ball player for us, today on the kick-off return and on the fake field goal Wilson made an excellent catch for the TD.
