### Denver Head Coach Wade Phillips

#### General

"I didn't think we could have any tougher losses than the three of the first four games we played, but this is obviously the toughest. Our defense made the play to win the ball game, and then didn't make the play in the end. In the two minute situation, obviously Montana is a great quarterback. All we had to do was keep them in bounds, but instead we let them get out of bounds, and that gave them enough time for him to just dink the ball downfield. He threw it in the flat, and they got it out of bounds. And that was the ball game.

Our defense came up with the big play and gave us the ball, but we just couldn't stop them in the last drive, among the controversial calls and the confusion of the last two series. There isn't a whole lot I can say to the team right now. I said a few things, we said the Lord's Prayer, and I told them I was proud of their effort. But we were one play short in this game. We didn't make that play."

#### On The Last Touchdown

"There was some confusion because we only had 10 men on the field. We had seven guys on the line of scrimmage, and that's all you need. That's why they called the penalty. They saw that we were short a man, but as long as Shannon Sharpe was on the line, you can play with 10. So actually, we scored the last touchdown with only 10 men. Once you call a timeout, which we had called, you can't call another one. So John did the right thing in getting the play off, in snapping the ball and making the play."

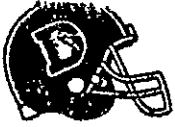

#### On Kansas City's Last Drive

"We really didn't get enough pressure on third downs. They should not have had enough time to score, but we gave up the pass in the flat and they were able to stop the clock. We work on this a lot in practice, I was disappointed. Then we let them get out of bounds repeatedly... because otherwise they would have had to use their timeouts. We did not execute. They put a guy in motion each time, and we did not adjust well enough. They were catching them for seven, eight, ten yards, and we didn't stop them. When they made it to the five, we doubled two of their receivers, I didn't see who caught, I just saw the official signal touchdown, and that was it.

It was never over with Joe Montana, and they never thought it was over with John Elway. The problem was that we gave them the time to score. We did not execute well in the Chiefs final drive, and we never got enough pressure on Montana."

#### On Next Week At San Diego

"We're going in to play the team with the best record in football, and we've got a short week to get ready, but that's what this team has to concentrate on right now. We have to think about the Chargers, prepare for the game and do the best we can."

### Denver Players

#### LB KARL MECKLENBURG

"This was really disappointing. On the last drive, we didn't get much pressure at all. They were hitting some short stuff, but they weren't going to win with that. When they hit the long one, that really hurt us. We played hard, but I guess not hard enough. San Diego is undefeated, and maybe we can put a crimp in their season."

#### S DENNIS SMITH

"We need to win the close ones. I've never been so tired in my life. This was the most exhausting game I've ever played in. We just kept fighting, fighting and fighting. We had too many breakdowns at the end. In critical situations, everybody has to be sharp. Give Kansas City credit, they played great when they had to."

#### TE Jerry Evans

On His TD--"Basically, I just jumped. Fortunately, I was able to make the play. It would have been a lot nicer with a victory. This was a tough loss; we just have to keep playing hard."

#### WR ANTHONY MILLER

On Joe Montana--"He's been doing stuff like this for years."  
General--"The main thing is, we didn't win, and that's frustrating. We just have to get it out of our system, move on, and forget it.:"

### Kansas City Head Coach Marty Schottenheimer

#### General

"I won't lie, and I'll be very candid. If we would have lost, I think we still played well. We needed to play well this week after the last couple of weeks. It is a great tribute to our team, they stayed after it and came up with a great win. I was hoping we would win tonight because I said I was going to stay in business long enough to get a win in Denver. We managed the clock well, I took all three timeouts, one defensively, because I felt it would give the offense more time. I felt it would be a good call. We had good pass protection. This gave Joe more time to find his third and fourth receivers. Every time you play here, you know it will be a close game. Monday Night Football got its money's worth.

"This wasn't a game of executions, it was a game of the fiber inside you. We stayed out there and turned it around to win. Tonight was meant to be the Chief's night."

#### On Last Drive

"I was very busy during the course of the game. It was difficult to manage things. But I remember telling Joe to keep looking underneath and manage the time. He is one of the best at doing that."

#### On Montana

"He played well. He missed some deep balls, but we haven't hit very many of those yet this season. People criticize Joe for his arm, but that isn't the problem."

#### On Allen's Fumble

"I'm glad we got him off the hook. He's done so much for the team, and I didn't want him to feel that it was his fault."

KANSAS CITY PLAYERS

QB Joe Montana

General--"It's been a long road. It's great, it's been a long, long time."

On Last Drive--"It's a lot of fun, it's nerve-wracking, but it's a lot of fun. We felt we had a good chance. That's all part of the game. You don't like to be in those two minute situations very often, but it's all part of it. Willie really made a great catch, and then made a great effort to get into the end zone."

On Watching Elway In Drill--"I was just hoping he would make a mistake. You can't enjoy it when he's doing it against you."

RB Marcus Allen

On His Fumble--"All you've got to do is get back on the horse and ride again."

On Last Drive--"It was pretty business like in the huddle. Everyone knew what they had to do. I think last year's game was in the back of everyone's minds."

DT Neil Smith

On Elway--"The man seems like he comes alive when he gets down to two minutes. You just know he's going to get it done."

On Montana--"We knew the ball game wasn't over. It all amounts to having No. 19 on your team. Over and over, you see this guy do it. People say that he's too old, that he's wsahed up, but he gets it done time and time again."

NT Greg Kragen

General--"I've seen it from the Broncos' side many times."

On Leaving Denver--"I don't think I was bitter about it. I had nine great years here, and have a lot of great memories. At the time, I figured, 'Hey, at least I don't have to through training camp,' to find out if they don't want me. I didn't think it would be a big deal coming back, but it was. It feels like home here, it was nice to see everyone."

"I can't remember when an opposing quarterback did that against our team. Usually, we have the ball last. You have to remember, Joe's a class act. He's done it his whole career.

"Got it to him, finally. I think he's starting to feel more comfortable. He really played well."

On Comment For Marty

Is Denver Snakebit

"We're a couple of plays away. We've got to find a way to get out of it. We still have 10 games left. We've got to be professionals and play hard. Then some of these things will go away. That's what we get paid to do.

On What He Thinks A-out When He Drives Home

"I cringe. I'm very disappointed, especially with the hope we came in with this year. We had great expectations, and that's what makes our record hurt even worse.
